A PERSONAL MESSAGE FROM THE PREMIER

On behalf of the Government of Ontario, I am very pleased to extend warm greetings to everyone attending the Fundraising Gala to support the Golden Age Village for the Elderly project.

I am heartened by the spirit of charity that lies at the core of this event. And I want to thank the dedicated volunteers who helped organize this important fundraiser: they deserve our gratitude and praise.

As you enjoy the wonderful performance of Vietnamese music this evening, keep in mind the worthy goal of the construction and operation of a centre for seniors that will cater to Vaughan's Vietnamese-Canadian community. Ontario takes pride in its strong yet compassionate society. The care we provide to our senior citizens reflects our collective values and our provincial character. Offering culture-sensitive and dignified services to the elderly community benefits our province as a whole.

Please accept my best wishes for a successful fundraiser.
