

**Thank You
for Supporting
the Golden Age Village
for the Elderly**

September 13, 2014

It is my pleasure to extend greetings to everyone attending this special event in support of the Golden Age Village for the Elderly.

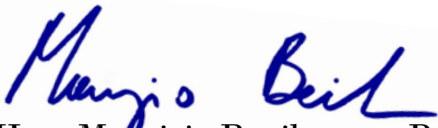

This celebration provides an opportunity to support the Golden Age Village for the Elderly and their noble goal to build a residence for Southeast Asian seniors in the City of Vaughan. Your generous donations will go towards funding this residence that will provide essential services to our seniors who helped build this community and this country.

Vaughan is a diverse city – both culturally and socially. Seniors are a vital part of our community and by helping them to stay active, involved and healthy, we are allowing them to continue to participate in our vibrant community life here in Vaughan.

I am proud that Vaughan is such a caring and supportive community, where people come together to create a better future for everyone.

Please accept my best wishes for a successful event.

Yours sincerely,

Hon. Maurizio Bevilacqua, P.C.
