Golden Age Village of the Elderly

*As the Member of Provincial Parliament for Ottawa Centre
at the Legislative Assembly of Ontario,
I am honoured to welcome all of you to the*

Cultural-Musical Gala!

Today, as we showcase the musical talents of Vietnamese artists, we are presented with an opportunity to recognize the many contributions the Vietnamese community has made to the province of Ontario. This community has indeed enriched the multi-cultural mosaic of Canada by sharing their values, customs and heritage with us all.

We are also being presented with an opportunity to help support the Golden Age Village of the Elderly project, a non-profit organization that seeks to provide affordable housing and support services for seniors. Through your generous contributions this evening, you will be helping them complete a Seniors Residence that will be home to over 200 Vietnamese-Canadian Seniors.

I wish to thank the volunteers and organizers who have worked tirelessly to ensure that this event is a success, and that the Golden Age Village of the Elderly becomes a reality.

With best wishes,

*Yasir Naqvi, MPP
